Annotated procurement list

Fixture project · Revision: rich-v1

All parts: 40 of 40

Model export pending remains a per-part warning

Done	Part ID	Part	Supplier part number	Quantity needed	Unit price	Order cost	Alternates	Ordered	In hand
☐	rich-001	Tapped linear shaft with threaded ends and full source-specific assembly description — Model export pending	6649K433 — primary supplier	12 — buy 2 packs of 10, cut 4 per length	$9.60 — $0.096 per piece	$19.20 — used $11.52	See note below	☑	☐
Alternates: Sourcing record 001 — Source alternative retains the recorded procurement limits. Source alternative retains the recorded procurement limits.
